

At SICC, we are committed to **Loving God and Loving people.**

At SICC we Love God by:

- Being obedient to his word: we exist to accomplish Jesus' mission as his agents of reconciliation in this world. **2 Cor.5:16-21**
- Making and developing people into mature disciples of Jesus who would view themselves as missionaries in the culture. (Matt.28:19-20 The Great Commission is our mission.)

At SICC we Love people by:

- By serving them the way Jesus modeled it.
- Connecting them to one another in community (church worship and small group studies and events)
- Encouraging them to utilize their God-given abilities to build up the community.
- Teaching people that worshiping God is a lifestyle, and not just a Sunday morning experience.

Jesus' mission is our mission; we are to make disciples of anyone who does not know Jesus by baptizing them and teaching them God's word. **Matt.28:19-21**
